

bodyworkersLONDON.com

BodyworkersLondon.com is an established online clinic with highly skilled, qualified therapists.

- Are you looking for professional bodywork and a complement of other therapies?
- Do you want highly skilled therapists but want to pay reasonable prices?
- Do you like individual attention at home or at a convenient location?
- Is the professional promise of an established clinic important to you?

Then you are at the right place. All our therapists are qualified. We check their certificates. We keep our overheads low, so more of your fees goes to the therapists rather than paying for expensive decorations.

As an established clinic, we co-ordinate our work, and promise to remember what works for you.
